Data Protection

Information provided on this form is required to make admission decisions and assessments. Any sensitive information collected is privileged and protected under data protection principles and laws. Information may be shared with European law-enforcement and intelligence services, medical personnel, academic institutions, employers, professional bodies and other third-parties required to conduct due diligence. Failing to provide information or deliberately providing misleading information may result in disciplinary action, termination of employment, fines, blacklisting and other action.

| 1 REGISTRANT INFORMATION | | |
|---|------------------------|------------------|
| This application form is anonymised by linking a candidate's personal details to their registration number. If a candidate for registration has not received a registration number via their academic institution or employer, they can obtain one by applying to the Intelligence Academy. | | |
| REGISTRATION # | REQUESTED REGISTRATION | CLEARANCE |

| 2 PROFESSIONAL HISTORY | | |
|--|-----------|-----------------------|
| Candidates for registration are required to document three to five years of their professional history depending upon their citizenship and residency. A brief justification of the role's pertinence to the registration applied for should be included in the RELEVANCE section e.g. analysis of intelligence material, electronic collection, etc. Experience from unregulated and unaccredited employers can be recognised by requesting a supervisor or colleague qualify as an accredited assessor (a short online course at the Intelligence Academy). Alternatively, for uncooperative employers or individuals that work in isolation, a log of reflective practice may be completed. | | |

3 ACADEMIC & PROFESSIONAL DEVELOPMENT

In addition to any professional development undertaken in the last year, candidates for registration should include the following (if possible):

- Their most relevant intelligence degree.
- Regulated intelligence training certified by an EU member state.
- Their highest non-intelligence degree.
- Other post-compulsory intelligence education of 12 months or more.

Courses undertaken at the Intelligence Academy in the last 12 months do not need to be mentioned here, but should be counted towards the annual study hours. Unaccredited intelligence degrees and equivalent qualifications can be accredited on request by providing the Institute with supporting syllabus documentation issued to all university students.
